

LEHLOHONOLO MOHLALA

EDUCATION

BSc in Computer Science and Applied Mathematics | University of the Witwatersrand

DATES: 2024-2026

- Obtained 6 Distinctions.
- Average of 72 %.

National Senior Certificate | Zonkiziwe Secondary School

DATES: 2019-2023

- Top Achiever.
- Obtained 4 Distinctions.
- 98 % Mathematics.
- Awarded GCRA bursary in recognition of academic excellence.

ACTIVITIES

- Participate in a bursary outreach programme, visiting high schools to guide learners on STEM bursary applications (requirements, benefits and processes).
- Initiated and co-led a motivational outreach initiative at former high school, Zonkizizwe Secondary School to inspire Grade 12 learners and promote higher education opportunities.
- Supported learners with university applications during outreach engagements.
- Serve as a mentor in a Buddy Mentorship programme providing academic guidance, personal support and assistance with first-year university transition.

PROFILE

Final year Computational Applied Mathematics and Computer Science student at the University of the Witwatersrand, specialising in quantitative modelling, numerical analysis, optimisation and scientific computing. Strong programmer in Python, C++ and java with proven experience in building data driven and algorithmic systems including a recruitment matching platform connecting employers and job seekers. Academically high performing with multiple distinctions and leadership experience in tutoring, mentoring and student governance. Highly disciplined, resilient and results driven seeking opportunities in quantitative finance, data science and computational research.

WORK EXPERIENCE

- Maths and physics tutor for grade 12 learners in 2024.
- Computational and Applied Mathematics tutor for first year students currently.

Inside Mathematics | Physics and Mathematics Tutor

DATES: 24/02/2024-28/02/2024

I was tutoring matriculants online, using tools like TikTok where we would be live doing past papers and answering questions and providing tips on how to answer certain type of questions. We also helped our boss to compose the eBook with notes for the curriculum followed by NSC past paper questions and videos of us solving those problems.

Wits | Applied Mathematics Tutor

DATES: Current

Currently I've been chosen to tutor Computational and Applied Mathematics 1 where I am tutoring and invigilating first year students for Mathematical methods and modelling 1 and Mechanics 1.

STRENGTHS

- Analytical & Problem-Solving Skills, Programming & Computational Skills, Mathematical & Theoretical Strength, Self-Learning & Initiative, Communication & Teamwork.
- Leadership & Teamwork: Events Officer (student Council), Social Committee Member-event planning, coordination and student engagement.

TECHNICAL SKILLS

- **Programming:** Python, C++, Java
- **Computational & Data Science:** NumPy, SQL
- **Mathematics:** Linear Algebra, Numerical Analysis, Optimization
- **Tools:** Git, Linux, LaTeX.
